

CDF'S ANNUAL EVENT—JUNE 17, 2009
An event you won't want to miss

I AM Canadiana

Contribute to the global development of co-operatives and credit unions.

Join the Co-operative Development Foundation of Canada (CDF) in our annual fundraiser and celebrate a century of Canadian co-operation.

This year's event will take place at Stanley's Olde Maple Lane Farm, located just outside of Ottawa. On Wednesday, June 17th, at 5:45 PM, guests will leave the lobby of the Westin Hotel and board shuttle buses that will take them to the farm. Tickets are \$100 and proceeds support CCA's international co-operative development programs through CDF.

Enjoy high quality, fresh, and delicious Canadian flavours.

Network with key decision makers from co-operatives and credit unions in Canada and around the world. Re-connect with old friends, and form new relationships.

For more information about the event, or if you are interested in learning about sponsorship opportunities contact Sarah Richardson:
