December 17, 2009

The Co-operative Development Foundation of Canada (CDF) would like to extend their gratitude to the people, co-ops, and credit unions of Manitoba. Through Director Giving, Monthly giving, Third Party Events, and annual donations, Manitoba has raised a total of \$88,249.89. With the Canadian International Development Agency (CIDA)'s 3:1 matching their support equals \$ 352,999.56

"It is amazing to see Canadians working together in support of the global co-operative and credit union system." I would like to give a personal thanks to Manitoba supporters for demonstrating true leadership. They are empowering communities worldwide" says Wayne McLeod, CDF President and CEO of Westoba Credit Union, Brandon, Manitoba. Manitobans have contributed their time and dollars. They provide support we can count on.
